

Multi Serial number Single MO

Multi Serial number Single MO

Description:

It is difficult to Click on Serial number every time to produce the product, So using this module we generate the Multiple MO of serial tracked product in a single click.

The module offers us the flexibility of a wizard, which will generate the Serial numbers as well as it will also confirm the Multiple MO to done stage.

Features :

- Multi Serial Generation from single MO.
- Multiple MO confirmation on single click for serial tracked products.
- Partial MO quantities can also be produced in bulk.
